COUNCIL CANDIDATE BOTTS ANNOUNCES CAMPAIGN COMMITTEE

Bob Botts, Chairman of the Banning Economic Development Committee and candidate for the Banning City Council today announced his Campaign Committee and Co-Chairpersons. Botts said, "I am pleased with the interest and support of my campaign by so many Banning Residents. At this early time in the campaign we have ninety-eight individuals who have signed on to work in the campaign".

Named as Co-Chairpersons for Botts' City Council effort are Betty DeSantis, currently a member of the Banning Planning Commission and former Mayor and Councilwoman of Westlake Village; Jim Smith, local businessman and active participant in Banning, currently President of the Banning Chamber of Commerce. Also serving as Co-Chairs are Amy Herr, long time resident of the City and current member of the Banning Unified School District, and Audrey Nathan, long time community participant and former Treasurer of the City of Banning.

Serving as Co-Treasurers of the Campaign are John and Trish Klimkiewicz, both actively involved in the business and the charitable life of the City of Banning.

"These individuals come from many different areas of our City and, I believe, represent the very best in what makes up quality leadership in a community. I am honored to have their support and their working on my campaign", said Botts.

Botts continued, “Over the last few months the following ninety-eight volunteers to my campaign have worked diligently, on the campaign and developing the Vision and Plan that we believe will help move Banning forward more rapidly. They continue their support in the Campaign.
